

HEAD LIGHT TESTER

MODEL - PHT-1500 / 1500L

- Headlight Tester is a checking equipment which, given its simplicity may seem difficult to improve further. It ensures high precision of the measuring.
- Quick & simple to use.
- Supplied with extra long Rails allowing unit to be wheeled away in drive-through application.
- It takes very little space- Requires only 500mm between vehicle Head Lamp & Lens
- Clear, Simple and Special graduated aiming screen.
- Available in two models- without Lux Meter (PHT-1500) & with Lux Meter (PHT-1500L).
- It is suitable for all types of Automobiles vehicles including Passenger Cars, SUV's, LCV's and Heavy Commercial Vehicles.
